Please amend the Specification as follows.

Please replace paragraph [0006] with the following:

[0006] Standardisation of the so called multi/broadcast multimedia service (MBMS) has been carried out by the third generation partnership project (3GPP). Reference is also made to the 3GPP technical specifications TS23.246 and TS25.346 which specify various features of the MBMS service. These documents are also hereby incorporated by reference.
